**Re: IBRD Loan 9421-EC (Strengthening the National Statistical System in Ecuador Project)
Additional Instructions: Disbursement and Financial Information Letter**

Excellency:

I refer to the Loan Agreement between Republic of Ecuador (the “Borrower”) and the International Bank for Reconstruction and Development (the “Bank”) for the above-referenced Project. The General Conditions, as defined in the Loan Agreement, provide that the Borrower may from time-to-time request withdrawals of Loan Amounts from the Loan Account in accordance with the Disbursement and Financial Information Letter, and such additional instructions as the Bank may specify from time to time by notice to the Borrower. The General Conditions also provide that the Disbursement and Financial Information Letter may set out Project specific financial reporting requirements. This letter constitutes such Disbursement and Financial Information Letter (“DFIL”), and may be revised from time to time.

I. Disbursement Arrangements, Withdrawal and Reporting of Uses of Loan Funds

The *Disbursement Guidelines for Investment Project Financing*, dated February 2017, (“Disbursement Guidelines”) are available in the Bank’s public website at <https://www.worldbank.org> and its secure website “Client Connection” at <https://clientconnection.worldbank.org>. The Disbursement Guidelines are an integral part of the DFIL, and the manner in which the provisions in the Disbursement Guidelines apply to the Loan is specified below.

(i) Disbursement Arrangements.

The table in Schedule 1 sets out the disbursement methods which may be used by the Borrower, information on registration of authorized signatures, processing of withdrawal applications (including minimum value of applications and processing of advances), instructions on supporting documentation, and frequency of reporting on the Designated Account.

(ii) Electronic Delivery (*Section 10.01 (c) of the General Conditions*).

The Bank may permit the Borrower to electronically deliver applications (with supporting documents) through the Bank's web-based portal (<https://clientconnection.worldbank.org>) "Client Connection". This option may be affected if the officials designated in writing by the Borrower who are authorized to sign and deliver Applications have registered as users of "Client Connection". The designated officials may deliver Applications electronically by completing the Form 2380, which is accessible through "Client Connection". By signing the Authorized Signatory Letter, the Borrower confirms that it is authorizing such persons to accept Secure Identification Credentials (SIDC) and to deliver the Applications and supporting documents to the Bank by electronic means. The Borrower may continue to exercise the option of preparing and delivering Applications in paper form. The Bank reserves the right and may, in its sole discretion, temporarily or permanently disallow the electronic delivery of Applications by the Borrower. By designating officials to use SIDC and by choosing to deliver the Applications electronically, the Borrower confirms through the authorized signatory letter its agreement to: (a) abide by the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation, available in the Bank's public website at <https://worldbank.org> and "Client Connection"; and (b) to cause such official to abide by those terms and conditions.

II. Financial Reports and Audits (*Section 5.09 of the General Conditions*)

(i) Financial Reports. The Borrower, through *Instituto Nacional de Estadística y Censos - INEC*, must prepare and furnish to the Bank not later than forty-five (45) days after the end of each calendar semester, interim unaudited financial reports ("IFR") for the Project covering the semester, in form and substance satisfactory to the Bank.

(ii) Audits. Each audit of the Financial Statements shall cover the period of one fiscal year of the Borrower, or any other period agreed with the Bank. The audited Financial Statements for each such period must be furnished to the Bank, through INEC, not later than six (6) months after the end of such period or any other period agreed with the Bank.

III. Other Information

For additional information on disbursement arrangements, please refer to the Loan Handbook available on the Bank's website (<http://www.worldbank.org/>) and "Client Connection". The Bank recommends that you register as a user of "Client Connection". From this website you will be able to prepare and deliver Applications, monitor the near real-time status of the Loan, and retrieve related policy, financial, and procurement information. For more information about the website and registration arrangements, or if you have any queries in relation to the above, please contact the World Bank by email at AskLoans@WorldBank.org using the above reference.

Sincerely,

Marianne Fay
