TERMS AND CONDITIONS OF THE NOTES

1. General. (a) This Note is one of a duly authorized Series of debt securities of the Republic of Ecuador (the “Republic”), designated as its 8.750% Notes due 2034 (each Note of this Series a “Note,” and collectively, the “Notes”), and issued or to be issued in one or more Series pursuant to an Indenture dated as of August 31, 2020, between the Republic and The Bank of New York Mellon, as trustee (the “Trustee”) and registrar (the “Registrar”) and The Bank of New York Mellon, London Branch as paying agent and Account Bank (the “Account Bank”), as amended from time to time (the “Indenture”). The Holders of the Notes will be entitled to the benefits of, be bound by, and be deemed to have notice of, all of the provisions of the Indenture. A copy of the Indenture is on file and may be inspected at the Corporate Trust Office. All capitalized terms used in this Note but not defined herein shall have the meanings assigned to them in the Indenture. Insofar as the provisions of the Indenture may conflict with the provisions set forth in this Note, the latter shall control for purposes of this Note.

(b) The Notes are in fully registered form, without coupons in denominations of U.S.\$200,000 and integral multiples of U.S.\$1,000 in excess thereof. The Notes may be issued in certificated form (each, a “Certificated Security” and collectively, the “Certificated Securities”), or may be represented by one or more registered global securities (each, a “Global Note”) held by or on behalf of the Depositary. Certificated Securities will be available only in the limited circumstances set forth in the Indenture. The Notes, exchanges and transfers thereof, shall be registered as provided in Section 2.6 of the Indenture. Any person in whose name a Note shall be registered may (to the fullest extent permitted by applicable law) be treated at all times, by all persons and for all purposes as the absolute owner of such Note regardless of any notice of ownership, theft, loss or any writing thereon.

(c) For the purposes of this paragraph 1 and paragraphs 4 and 5 below, the following terms shall have the meanings specified below:

- (i) “Banco Central” means Banco Central de la República del Ecuador.
- (ii) “Ecuadorian Authorization” means any approval, authorization, permit, consent, exemption or license or other action of or by, and any notice to or filing with, any Governmental authority, agency, regulatory or administrative body of Ecuador or of any Ecuadorian political subdivision.
- (iii) “Excluded Indebtedness” means the following Series of securities issued by the Republic:
 - (A) the 12 per cent. U.S. dollar Denominated Global Bonds due 2012;
 - (B) the U.S. dollar Denominated Step-up Global Bonds due 2030; and
 - (C) any Existing Bonds and the related Existing Indenture.

(iv) “External Indebtedness” means all Indebtedness (other than the Debt Securities) that is not (i) issued pursuant to agreements or evidenced by instruments that expressly submit the resolution of all disputes to the exclusive jurisdiction of the courts of Ecuador or (ii) governed by Ecuadorian law.

(v) “Indebtedness” means for any person (a) all indebtedness of or guaranteed by such person for or in connection with borrowed money, and (b) all obligations of or guaranteed by such person (other than those specified in sub-paragraph (a) above) evidenced by debt securities, debentures, Debt Securities or other similar instruments; **provided that** Indebtedness shall not include commercial agreements not having the commercial effect of a borrowing.

(vi) “Project Financing” means any financing of all or part of the costs of the acquisition, construction or development of any properties in connection with a project if the person or persons providing such financing expressly agree to look to the properties financed and the revenues to be generated by the operation of, or loss of or damage to, such properties as the principal source of repayment for the moneys advanced.

2. Payments. (a) The Republic covenants and agrees that it will duly and punctually pay or cause to be paid the principal of, and premium, if any, and interest (including Additional Amounts (as defined below)) on, the Notes and any other payments to be made by the Republic under the Notes and the Indenture, at the place or places, at the respective times and in the manner provided in the Notes and the Indenture.

(b) The Republic will make payments of principal of and premium if any, and interest on the Notes of a Series represented by Global Notes in U.S. dollars in immediately available funds to the Depositary or its nominee, as the case may be, as the registered Holder of the Global Notes, which will receive the funds for distribution to the beneficial owners in accordance with its procedures. Principal and interest (including Additional Amounts (as defined below) on each Note (other than principal and interest payable on the maturity date) will be payable to the person in whose name such Note is registered at the close of business on the applicable Record Date, whether or not such day is a Business Day (as defined below), notwithstanding the cancellation of such Notes upon any transfer or exchange thereof subsequent to the Record Date and prior to such Interest Payment Date; provided that if and to the extent the Republic shall default in the payment of the interest due on such Interest Payment Date, such defaulted interest shall be paid to the persons in whose names such Notes are registered as of a subsequent record date established by the Republic by notice, as provided in paragraph 12 of these Terms, by or on behalf of the Republic to the Holders of the Notes not less than 15 days preceding such subsequent record date, such record date to be not less than 10 days preceding the date of payment of such defaulted interest. Notwithstanding the immediately preceding sentence, in the case where such interest, principal or premium, if any, (including Additional Amounts) is not punctually paid or duly provided for, the Trustee shall have the right to fix such subsequent record date, and, if fixed by the Trustee, such subsequent record date shall supersede any such subsequent record date fixed by the Republic. Neither the Republic nor any paying agent shall have any responsibility or liability for any of the records of, or payments made by, the Depositary or its nominee.

(c) Payments of principal on the Notes shall be made by the Republic in instalments on the dates shown below (each, an “**Amortization Date**”) in amortization amounts calculated by the Republic (each an “**Amortization Amount**”) as set out in the table below shown opposite the relevant Amortization Date.

Amortization Date	Amortization Amount
January 29, 2032	33.3% of the original principal amount of the Notes
January 29, 2033	33.3% of the original principal amount of the Notes
January 29, 2034	Remaining outstanding principal amount of the Notes

The outstanding principal amount of the Notes shall be reduced by each Amortization Amount for all purposes with effect from the relevant Amortization Date, unless the payment of the relevant Amortization Amount is not made for any reason. In such a case, the relevant principal amount will remain outstanding until the day on which all sums due in respect of such Notes up to that day are received by or on behalf of the relevant Holders (except to the extent that there is any subsequent default in payment in accordance with these Conditions).

In these Conditions, references to "principal" shall, unless the context requires otherwise, be deemed to include any Amortization Amount and references to the "due date" for payment shall, unless the context requires otherwise, be deemed to include any Amortization Date.

(d) If any of the Notes are no longer represented by Global Notes, payment of principal of and premium if any, and interest on the Notes of a Series represented by Certificated Securities, at the Republic's option, be made by check mailed directly to Holders at their registered addresses (except for (i) registered Holders of at least US\$1,000,000 aggregate principal amount of the Notes, to whom payments will be made by wire transfer if such Holder elects so; *provided* that not less than 15 days before the Payment Date, such Holder notifies the Trustee of the election to receive payment by wire transfer and provides it with the bank account information and wire transfer instructions or (ii) if the Republic is making such payments at maturity and such Person surrenders the Certificated Securities at the Corporate Trust Office or at the offices of one of the paying agents designated by the Republic for such Series).

(e) If the Republic is not required to pay principal or interest by wire transfer, it may, subject to applicable laws and regulations, mail a check on or before the due date for the payment. The check will be mailed to such Holder at its address as it appears on the Register as of the applicable Record Date.

(f) If any Payment Date for an interest, principal or premium payment, if any, (including Additional Amounts) is not a Business Day, the Republic will make, or cause to be made, the payment on the next following Business Day. Such payments will be deemed to have been made on the due date, and no interest on the Notes will accrue as a result of the delay in payment. **Business Day** shall mean any day except a Saturday, Sunday or any other day on which commercial banks in London, England, New York City, United States of America or Quito, Ecuador (or in the city where the relevant paying or transfer agent is located) are required or authorized by law to close.

(g) Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(h) Any monies deposited with or paid to the Trustee or to any paying agent for the payment of the principal, interest or premium, if any, (including Additional Amounts) on any Note and not applied but remaining unclaimed for two years after the date upon which such principal, interest or premium, if any, shall have become due and payable shall be repaid to or for the account of the Republic by the Trustee or such paying agent, upon written request of the Republic and, to the extent permitted by law, the Holder of such Note shall thereafter look only to the Republic for any payment which such Holder may be entitled to collect, and all liability of the Trustee or such paying agent with respect to such monies shall thereupon cease.

The Republic shall cause all returned, unclaimed monies to be held in trust by the Banco Central or otherwise but in each case for the relevant Holder of the Note until such time as the claims against the Republic for payment of such amounts shall have prescribed pursuant to paragraph 14 of these Terms.

3. Additional Amounts. (a) All payments by the Republic in respect of the Notes shall be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or other governmental charges of whatever nature, unless the withholding or deduction is required by law. If any such withholding or deduction is imposed or levied by or on behalf of the Republic, or any political subdivision or taxing authority or agency therein or thereof having the power to tax (collectively, "Relevant Tax"), the Republic shall pay such additional amounts ("Additional Amounts"), as may be necessary to ensure that the amounts received by the Holders after such withholding or deduction shall equal the respective amounts of principal and interest that would have been receivable in respect of the Notes in the absence of such withholding or deduction; *provided, however,* that no such Additional Amounts shall be payable in respect of any Relevant Tax:

(i) in respect of any Note held by or on behalf of a Holder or a beneficial owner of a Note that is liable for such taxes, duties, assessments or governmental charges by reason of such Holder or beneficial owner having some present or former connection with the Republic other than any connection arising merely from the holding of such Note or from receipt, of principal or interest in respect thereof;

(ii) in respect of any Note held by or on behalf of a Holder or a beneficial owner of such Note that is liable for such taxes, duties, assessments or governmental charges by reason of the failure of such Holder or beneficial owner to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with the Republic, or any political subdivision or taxing authority thereof or therein, of such Holder or beneficial owner or of the Holder or beneficial owner of any interest in such Note or any rights in respect thereof, provided that, (A) compliance is required by the Republic, or any political subdivision or taxing authority thereof or therein, as a precondition to exemption from all or any portion of such withholding or deduction, (B) at least 30 days prior to the first scheduled payment date for which compliance will be required, the Republic has notified the Holders in writing that Holders of Notes must comply with such certification, identification or other reporting requirement in order to receive Additional Amounts; or (C) such requirements are not materially more onerous

to such Holders or beneficial owners (in form, in procedure or in the substance of information disclosed) than comparable information or other reporting requirements imposed under U.S. federal tax law, regulation and administrative practice (such as U.S. Internal Revenue Service Forms W-8 and W-9); or

(iii) in respect of any Note presented for payment (where such presentation is required) more than 30 days after the Relevant Date except to the extent that the Holder thereof would have been entitled to Additional Amounts on presenting the same for payment on any date during such 30-day period.

As used in this paragraph 3(a), “Relevant Date” in respect of any Note means the date on which payment in respect thereof first becomes due or, if the full amount of the money payable has not been received by the Trustee on or prior to such due date, the date on which notice is duly given to the Holders in the manner described in paragraph 11 below that such monies have been so received and are available for payment. Any reference to “principal” and/or “interest” hereunder or in the Indenture shall be deemed to include any Additional Amounts which may be payable hereunder.

(b) The Republic will pay any present or future stamp, court or documentary taxes or any excise or property taxes, charges or similar levies which arise in the Republic or any political subdivision thereof or taxing authority thereof or therein in respect of the creation, issue, execution, delivery or registration of the Notes or any other document or instrument referred to therein. The Republic will also indemnify the Holders from and against any stamp, court or documentary taxes or any excise or property taxes, charges or similar levies resulting from, or required to be paid by any of them in any jurisdiction in connection with, the enforcement of the obligations of Republic under the Notes or any other document or instrument referred to therein following the occurrence of any Event of Default (as defined below).

4. Certain Covenants of Republic.

So long as any Debt Security shall remain Outstanding or any amount payable by the Republic under the Indenture shall remain unpaid, the Republic agrees that it shall:

(a) obtain and maintain in full force and effect all Ecuadorian Authorizations, necessary under the laws of Ecuador for the execution and delivery of, and performance by the Republic under, the Debt Securities and the Indenture or for their validity or enforceability, and take all necessary and appropriate Governmental and administrative action in Ecuador in order for the Republic to be able to make all payments to be made by it under the Debt Securities and the Indenture;

(b) ensure that at all times its obligations under the Debt Securities are general, direct, unsecured, unsubordinated and unconditional obligations of the Republic and will be backed by the full faith and credit of Ecuador and ensure that the Debt Securities will rank equally in terms of priority with Ecuador's External Indebtedness (other than Excluded Indebtedness), *provided that* such ranking is in terms of priority only and does not require that the Republic make ratable payments on the Debt Securities with payments made on its other External Indebtedness

- (c) use its reasonable best efforts to list and thereafter to maintain the listing of the Debt Securities on a stock exchange of recognized international standing, which may include the Luxembourg Stock Exchange;
- (d) not create or suffer to exist, or permit the Banco Central to create or suffer to exist, any Lien upon any of its present or future assets or revenues to secure or otherwise provide for the payment of any External Indebtedness of the Republic or the Banco Central unless, on or prior to the date such Lien is created or comes into existence, the obligations of the Republic under the Debt Securities and the Indenture are secured equally and ratably with such External Indebtedness; and
- (e) on an annual basis publish no later than June 30 of the relevant year (which can be by posting to a publicly available website maintained by the Republic) the Republic Aggregate Debt Information with respect to the preceding calendar year.

“Lien” means any lien, pledge, mortgage, security interest, deed of trust, charge or other encumbrance or preferential arrangement which has the practical effect of constituting a security interest with respect to the payment of any obligations with or from the proceeds of any assets or revenues of any kind.

The Republic may, however, create or permit to subsist the following Liens (“Permitted Liens”):

- (i) any Lien on property to secure External Indebtedness arising in the ordinary course of business to finance export, import or other trade transactions, which matures (after giving effect to renewals and refinancings) no more than one year after it was originally incurred;
- (ii) any Lien upon property to secure the purchase price of such property or to secure any External Indebtedness incurred solely for the purpose of financing the acquisition of such property;
- (iii) any Lien on property arising by operation of law (or pursuant to any agreement establishing a Lien equivalent to one which would otherwise exist under relevant local law), including without limitation any right of set-off with respect to demand or time deposits with financial institutions and bankers' liens with respect to property held by financial institutions (in each case deposited with or delivered to such financial institutions in the ordinary course of the depositor's activities);
- (iv) any Lien existing on such property at the time of its acquisition;
- (v) any Lien in existence as of the date of issuance of the Debt Securities;
- (vi) any Lien securing External Indebtedness issued upon surrender or cancellation of the principal amount of any of the Excluded Indebtedness, as defined below, to the extent the Lien is created to secure the External Indebtedness;
- (vii) any Lien created in connection with any Project Financing, as defined below, **provided that** the properties to which any such Lien applies are solely with respect to (A) properties which are the subject of such Project Financing or (B) revenues or claims which arise from the operation, failure to meet specifications, failure to complete, exploitation, sale or loss of, or damage to, such properties;

(viii) additional Liens created in any calendar year upon assets, revenues or receivables of the Republic having, when encumbered, a fair market value not exceeding an aggregate amount equal to U.S.\$50,000,000 (or its equivalent in any other currency or currencies) to collateralize, or to purchase collateral, guarantees or other credit support in respect of, new borrowings by the Republic, **provided that** to the extent U.S.\$50,000,000 (or its equivalent in any other currency or currencies) exceeds such aggregate fair market value of such assets, revenues or receivables so encumbered in such calendar year, the aggregate fair market value of such assets, revenues and receivables permitted to be encumbered hereby in subsequent calendar years shall be increased by such excess amount; **provided, however, that** in no event shall the fair market value of such assets, revenues or receivables so encumbered in any calendar year exceed an aggregate amount equal to U.S.\$150,000,000 (or its equivalent in any other currency or currencies); and

(ix) any renewal or extension of any of the Liens described above; **provided that** no renewal or extension of any permitted Lien shall (A) extend to or cover any property other than the property then subject to the Lien being extended or renewed or (B) increase the amount of financing secured by that Lien.

5. Events of Default. If one or more of the following events (“Events of Default”) shall have occurred and be continuing (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) *Non-Payment.* (i) Failure to pay principal or Make-Whole Amount on the Notes when due (unless such non-payment is due to an administrative or technical error and is remedied within five (5) Business Days of the date when such payment is due); or (ii) failure to pay interest on the Notes within 30 days following the due date; or

(b) *Breach of Other Obligations.* Failure to observe or perform any of the covenants or agreements provided herein or in the Indenture (in each case, other than those referred to in (a) above) for a period of 30 days following written notice to the Republic by the Trustee or Holders representing at least 25% in principal amount of the then Outstanding Notes to remedy such failure; or

(c) *Cross-Default.*

(i) The Republic fails to make any payment in respect of any External Indebtedness (other than Excluded Indebtedness) in an aggregate principal amount in excess of U.S.\$50,000,000 (or its equivalent in any other currency) when due (as such date may be extended by virtue of any applicable grace period or waiver); or

(ii) The holders of at least 25% of the aggregate outstanding principal amount of any External Indebtedness (other than Excluded Indebtedness) having an aggregate principal amount in excess of U.S.\$50,000,000 (or its equivalent in any other currency), accelerate or declare such External Indebtedness to be due and payable, or required to be prepaid (other than by a regularly scheduled prepayment), prior to its stated maturity, as a result of any default by the Republic under such External Indebtedness, and such acceleration, declaration or prepayment is not annulled or rescinded within 30 days;

(d) *Moratorium.* the Republic, or a court of proper jurisdiction, declares a formal and official suspension of payments or a moratorium with respect to the payment of principal of, or interest on, the Republic's External Indebtedness (other than Excluded Indebtedness);

(e) *Validity.*

(i) The Republic denies, repudiates or contests any of its obligations under the Debt Securities or the Indenture in a formal administrative, legislative, judicial or arbitral proceeding; or

(vii) Any constitutional provision, treaty, law, regulation, decree, or other official pronouncement of the Republic, or any final decision by any court in the Republic having jurisdiction, renders it unlawful for the Republic to pay any amount due on the Debt Securities or to perform any of its obligations under the Debt Securities or the Indenture;

(f) *IMF Membership.* The Republic fails to maintain its membership in the IMF or ceases to be eligible to use the resources of the IMF;

(g) *CAF, FLAR and IDB Membership.* The Republic fails to maintain its membership in, or its eligibility to use the general resources or equivalent of, any of CAF, FLAR and IDB;

(h) *Judgment.* There shall have been entered against the Republic or the Banco Central in a matter related to External Indebtedness (other than Excluded Indebtedness) a final judgment, decree or order by a court of competent jurisdiction from which no appeal may be made, or is made within the time limit for doing so, for the payment of money in excess of U.S.\$50,000,000 (or its equivalent in another currency) and 120 days shall have passed since the entry of any such order without the Republic having satisfied the judgment;

(i) *Arbitral Award.* There shall be made against the Republic or the Banco Central in a matter related to External Indebtedness (other than Excluded Indebtedness) an arbitral award by a tribunal of competent jurisdiction from which no appeal or application to a tribunal or court of competent jurisdiction to set aside may be made, or is made within the time limit for doing so, for the payment of money in excess of U.S.\$50,000,000 (or its equivalent in another currency) and 120 days shall have passed since the making of any such award without the Republic having satisfied the award; and

(j) *Information Covenant.* The Republic fails to observe or perform the covenant in Section 4(e) of these Terms for a period of 90 days following written notice to the Republic by the Trustee or Holders representing at least 25% in principal amount of the then Outstanding Notes to remedy such failure;

then in each and every such case, upon written notice by the Holders (the "Demanding Holders") (acting individually or together) of not less than 25% of the aggregate Outstanding principal amount of the Notes, to the Republic with a copy to the Trustee of any such Event of Default and its continuance, the Demandng Holders may declare the principal amount of all the Notes due and payable immediately, and the same shall become and shall be due and payable upon the date that such written notice is received by or on behalf of the Republic, unless prior to such date all Events of Default in respect of all the Notes shall have been cured; provided that if, at any time after the principal of the Notes shall have been so declared due and payable, and before the sale of any property pursuant to any judgment or decree for the

payment of monies due which shall have been obtained or entered in connection with the Notes, the Republic shall pay or shall deposit (or cause to be paid or deposited) with the Trustee a sum sufficient to pay all matured installments of interest and principal upon all the Notes which shall have become due otherwise than solely by acceleration (with interest on overdue installments of interest, to the extent permitted by law, and on such principal of each Note at the rate of interest specified herein, to the date of such payment of interest or principal) and such amount as shall be sufficient to cover the reasonable compensation to the Demanding Holders, the Trustee, their respective agents, attorneys and counsel, and all other documented expenses and liabilities reasonably incurred, and all advances made for documented expenses and legal fees, reasonably incurred by the Demanding Holders and the Trustee, and if any and all Events of Default hereunder, other than the nonpayment of the principal of the Notes which shall have become due solely by acceleration, shall have been cured, waived or otherwise remedied as provided herein, then, and in every such case, the Holders of more than 50% in aggregate principal amount of the Notes then Outstanding, by written notice to the Republic and to the Trustee, may, on behalf of all of the Holders, waive all defaults and rescind and annul such declaration and its consequences, but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default, or shall impair any right consequent thereon. Actions by Holders pursuant to this paragraph 5 need not be taken at a meeting pursuant to paragraph 7 hereof. Actions by the Trustee and the Holders pursuant to this paragraph 5 are subject to Article Four of the Indenture.

6. Purchase of Notes by the Republic. The Republic may at any time purchase or acquire any of the Notes in any manner and at any price in the open market, in privately negotiated transactions or otherwise.
