

Letter Nro. MEF-SFPAR-2025-0065
Quito D.M., November 24th, 2025

SUBJECT: *Invitation to participate in the process of “Procurement of Financial Advisory Services for the Development of a Strategy and Support for Re-entry into International Financial Markets, and the Design of a Public Debt Liability Management Strategy”.*

In accordance with the provisions of the “Reglamento para la Contratación de Servicios Relacionados o Conexos a Operaciones de Endeudamiento Público Interno o Externo” (Regulations for the Contracting of Services Related to or Connected to Internal or External Public Debt Operations), issued by Ministerial Agreement No. 022 of April 15th, 2022 and its amendment by Ministerial Agreement No. 067 of November 9th, 2023, the Republic of Ecuador, represented by the Ministry of Economy and Finance, cordially invites your company to submit its OFFER to participate in the process called “Procurement of Financial Advisory Service for the Development of a Strategy and Support for Re-entry into International Financial Markets, and the Design of a Public Debt Liability Management Strategy” whose main objective is to ensure Ecuador's return to international capital markets under favorable and sustainable conditions, both for the diversification of financing sources and to achieve the implementation of liability management operations through market mechanisms.

The general conditions of this invitation are detailed in the contracting conditions or specifications and their annexes, which are attached to this communication. The evaluation of the OFFER will be carried out in accordance with the parameters defined by the Ministry of Economy and Finance, and in strict compliance with current regulations.
