Subject: Invitation to participate in the process "Contracting of international financial advisory services for the consolidation of market access and advice for the design of sovereign financing operations".

CAUTION: This email originated outside Centerview's network. Use care when clicking links or opening attachments.

Good afternoon,

The Ministry of Economy and Finance, cordially invites your company to submit its OFFER to participate in the process of "Contracting the international financial advisory service for the consolidation of access to markets and advice for the design of sovereign financing operations," whose main objective is to contract the services of a specialized international financial advisory firm, in order to design and implement a comprehensive sovereign financing strategy that allows the country to consolidate and sustain its access to international capital markets, including the structuring and execution of financing operations in general, such as international issuances, reopenings, repurchase agreements, guaranteed schemes, and other financial structures, as well as strengthening the relationship with investors and risk rating agencies, contributing to the progressive improvement of the credit profile of the Republic of Ecuador, in line with international best practices.

The general terms and conditions of this invitation are detailed in the tender documents and their annexes, which are attached to this communication. The evaluation of the offer will be carried out in accordance with the parameters defined by the Ministry of Economy and Finance, strictly adhering to current regulations.

Saludos Cordiales,
